

INTRODUCTION

The Sierra Nevada 100 is a multi-class, team-based endurance event held on the iRacing version of Wild West Motorsports Park. Scheduled for 100 minutes, the race is open to any iRacing member and is free of charge to enter. The race is the second of three rounds of the 2023 Virtual Off-Road Team Endurocross (VORTEX) season. The race will air live on [Racecraft TV](#).

EVENT FORMAT AND RULES

- Session opens Thursday, August 31 at 8:35PM ET/5:30PM PT
- Open practice (20 mins) + qualifying (10 mins). Track starts at 0% wear in each.
- 100 minutes race. Track reset to 0%.
- This is a team race with a mandatory two or three drivers per entry.
- Drive fair share is **ON**.
- Damage is **OFF** so that all entries may compete for as long as possible.
- No cautions and no restarts.
- Rolling start. All cars in each class will be gridded together.

EVENT CLASSES

There will be four classes of competition in VORTEX events: Unlimited Truck, Unlimited Car, Limited Truck, and Limited Car. Each has been assigned a set of vehicle numbers for timing and scoring purposes. Please refer to the below chart:

CLASS NAME	UNLIMITED TRUCK	UNLIMITED CAR	LIMITED TRUCK	LIMITED CAR
Vehicle	Pro 4 Off-Road Truck	Subaru WRX STI	Pro 2 Off-Road Lite	Volkswagen Beetle Lite
Horsepower	800	585	400	262
Weight	4000	2860	4000	2866
WTP Ratio	5.0	4.8	10.0	10.9
Numbers	00-09, 1-99	100-199	200-299	500-599
Fixed Setup	barkriver	baseline_fullfuel	barkriver	baseline

JOINING THE LEAGUE

We will be utilizing the #Yes2Motorsport league for the event. [Click here](#) to submit a request to join the league if you haven't already. **You must do this before the race!**

REGISTERING FOR THE EVENT

To help us promote leading up to the event, please [click here](#) to submit an event registration. This enables us to give the broadcasters an advance entry list. However, last-minute entries that did not file an entry blank will not be denied as long as they join the session.

CREATING A TEAM

Please refer to the [iRacing Teams How-To](#) pages to learn how to create a team. **IMPORTANT: You must create your team within iRacing before the event!**

SETTING YOUR PAINT SCHEMES

We will be utilizing Trading Paints for this broadcast. To set a team paint, first make sure your team is properly created, then go to your Trading Paints [dashboard](#). Click the car that corresponds to the class you plan to race and scroll all the way to the bottom to set your team paint as you would for any other league or series.

In addition, to help our broadcasters, please [click here](#) to download branded windshield banners for your vehicle and apply them to your paint before uploading!

DRIVE FAIR SHARE RULE

iRacing's "drive fair share" rule means that each driver must run at least 25% of an equal share of the event, rounded up to the next whole lap. As an example, here's how the math works out for a 60-lap event:

- 2 drivers: $60 \text{ laps} / 2 = 30$; 25% of 30 is 7.5; **each must run 8 laps**
- 3 drivers: $60 \text{ laps} / 3 = 20$; 25% of 20 is 5; **each must run 5 laps**

TEST EVENTS AND ADDITIONAL SESSIONS

Two-hour practices will be held on the Monday, Tuesday, and Wednesday leading up to the event. Each will start at 9PM ET with a 0% track state and the same vehicle and setup settings as the main event.

Prior to VORTEX on Thursday, two exhibition races will be held: Safari Rally and Mega Rally Mini. These are 10-minute solo races open to all #Yes2Motorsport members featuring road cars competing on a 50% worn track with purpose-built fixed setups. Safari Rally is a single-class race, while Mega Rally Mini is multi-class.

ETIQUETTE

Do your part to keep this event fun for everyone. That means driving with respect for other drivers and event officials, and respecting that the damage off setting is designed to allow everyone to race for as long as possible, not to create a demolition derby. Drivers who choose to fly in the face of these expectations may be removed with or without warning at officials' discretion.

EVENT SCHEDULE: MONDAY, AUGUST 28

9PM ET: VORTEX Open Practice (2 hours)

EVENT SCHEDULE: TUESDAY, AUGUST 29

9PM ET: VORTEX Open Practice (2 hours)

EVENT SCHEDULE: WEDNESDAY, AUGUST 30
